

ABACE2016 AIRCRAFT SPONSOR LETTER REQUEST FORM

DATA REQUIRED TO APPLY FOR AIRCRAFT SPONSOR LETTER TO ATTEND ABACE2016

Foreign registered aircraft arriving into China are required to have an Aircraft Sponsor Letter from a Chinese company for flight plan approval. For aircraft arriving direct to Shanghai, NBAA can coordinate the Aircraft Sponsor Letter through our China based ABACE partner. The information provided by the aircraft operator will be sent to the Chinese ABACE partner who will then issue the appropriate ABACE Aircraft Sponsor Letter.

Please return the completed form to sponsorletter@nbaa.org or fax to +1 (202) 862-5552 by **March 16, 2016**.

This information is meant to facilitate the Aircraft Sponsor Letter procedure. NBAA will not be in a position to intervene on any decision taken by the Chinese Authorities. In addition, please be advised that all ABACE participants must comply with Chinese laws and regulations during their stay in China and may not engage in activities which might damage China's national security or public interests or other illegal activities. Attendees from foreign countries must be responsible for all their own costs while in China, and must be willing to bear the corresponding legal and economic responsibilities should any problems arise.

Exhibiting Company Contact information:

Last Name: _____ First Name: _____
